ALL ITEMS EXCEPT THOSE SHOWN IN BOLD ARE COVERED IN THE AMOUNTS SHOWN ON THE COUNCIL'S INSURANCE POLICY
THE THREE ITEMS IN BOLD ARE NOT INSURED AS THEY ARE HISTORICAL ITEMS AND COULD NOT BE REPLACED

The assets are much reduced this year as the original Christmas Lights and fixtures were not up to standard for health and safety, they were not energy saving or environmentally friendly and were disposed of in a negotiated agreement with a contractor to install new environmentally friendly leased lights and fittings with safe electricity standards for five years and this gave the opportunity to no longer rent premises to store the lights, save on rates, electricity, water and insurance. The contractor was chosen from tendered quotations from four companies.
